their specialties. Our cover photo catches four of these talented individuals in action as they demonstrated their skills for the visitors. Upper right is Bill Spark of Mattapoisett throwing a pot on the spinning potter's wheel. Bill is a recent graduate of the University of Vermont and the son of Mr. and Mrs. William Spark of Pearl Street. Mrs. Gladys Sherman is shown, upper right, as she wove a rush bottom chair seat. Mrs. Sherman had many other intricate examples of weaving in rush and pine needles. Mr. Joe Porte, lower left, of Fairhaven was at work at the old bench in the loft carpenter shop of the museum. Mr. Porte carves various varieties of whales in native pine. He started his hobby making ship models but switched to whales on the advice and encouragement of his children. Mr. Maciej Zakrenwski of Onset originates from Paznan, Poland. "Zak", as he is called here, is creating delicate works in metal which he fashions in the forms of nature. He forms leaves, flowers, birds, etc. with the silver and other malleable metal with which he works.

Festival '71 attracted large crowds throughout the entire 12 hours of the show. The Historical Museum yard and Carriage Shed were used for exhibits of the artists and craftsmen. Proceeds will benefit the Museum.

BEST OF THE SHOW

Mrs. David McCormack of Shell Beach, Mattapoisett, is shown standing with her exhibit of three sculptures in steel. Her work "Stalingrad" was judged best of all works of art exhibited. The strikingly powerful sculpture symbolized the siege and the battle with a sword overlaid with crystal snowflakes. The medium is welded steel and the execution is, at the same time, both delicate and strong.

ROCK CONCERT

Young rock fans were treated to a concert sponsored by the Mattapoisett Woman's Club on Sunday at Shipyard Park, Mattapoisett. The new bandstand was the platform for the entertainment enjoyed by a good crowd of local youths. First set was by the "Hickory" group comprised of Steve German, Johnny Bendal, Wayne Kilanowick and Wayne Ferreira. The second set was by "Cold Duck" comprised of Richard Barros, Bruce Texeira, Skippy Texeira, Zak Rezendes, Ardith Bell, George Welling and Peter Chase.

Mrs. John Lees originated the idea and organization was done by Mattapoisett youth. Groups were from Old Rochester Regional High School and arranged for by Gary Thomas, music director at ORRHS.

SPECIAL VOTER REGISTRATION

There will be a special registration of voters at the Mattapoisett Town Clerk's office on Friday, July 16th, from 8:30 A.M. to 7 P.M. This will enable qualified voters to vote in the special Town Meeting on July 19th.

STATE CENSUS RESULTS

The 1971 State Census results are now tabulated. The figures show a total population of 4958 people in 1516 families in Mattapoisett. Sixteen year olds lead all age groups under 20 with 115 counted. There are 106 ten year olds. Seven and eight year olds number 104 each.

LAMPSHADE ARTIST Festival '71

Mrs. Louis Corey of Pine Island Road, Mattapoisett paints and cuts design on lampshades. The hairline cuts are accents for the floral design and highlight the flower or leaf with light. Some of the designs are always visible and some are painted on the inside of the shade and so appear only when the lamp is lit. Mrs. Corey is shown above with her exhibit at the festival.

RID O RAY INC

TM

Electronic Bug Killer

Rid-O-Ray kills mosquitos, black flies and other flying, biting insect pests electronically. Inconspicuously, instantly and economically, these pests are incinerated when they touch the charged grid of the Rid-O-Ray Bug Killer. Neat.

The Rid-O-Ray is safe enough for you to touch, and is harmless to birds and animals. It works best when placed 30 to 50 feet from the center of action (remember that it attracts pests...so don't sit next to it, or a dozen mosquitos might stop off to visit you before they pay their last visit to Rid-O-Ray).

Aucoot Dredging Opposed

Forty-six people attended a public hearing on Tuesday night at Mattapoisett Town Hall. The hearing was held to determine the public feeling on the question of dredging in the Aucoot area. The proposal explained by Edward Brainard, II, of Marion, concerns the development of 120 acres into 21 house lots in Mattapoisett and 39 in Marion. 14,000 cubic yards of material would be removed and a stone wharf and pier would be constructed. Mr. Brainard, Mr. Taft and Mr. Chris were recorded in favor. The rest of the people were opposed. The opposition stems from five objections: the effect on shellfishing, the spillage of gas and oil, the loss of peace and tranquility and adverse effect on bathing areas. A petition in opposition signed by 78 Mattapoisett residents was submitted.

Selectmen will submit the consensus of this hearing to the State Department of Natural Resources.

FAIRHAVEN SAVINGS ANNOUNCES RELOCATION

At the quarterly meeting of the Board of Trustees held at the bank Tuesday night, the President, Richard H. Carpenter, announced that the Commissioner of Banks for the State of Massachusetts has granted permission to relocate the main office to the vicinity of the southerly side of the intersection of Washington Street (Route 6) and Huttleston Avenue and to establish and maintain the present location as a branch office. Fairhaven Savings will purchase approximately 80,000 square feet of land and at the present time, Hutchins & French, architects, are drawing up plans for the new bank. It is estimated that occupancy will take place in approximately fifteen to eighteen months.

This move is necessitated by Fairhaven Savings' continued growth over the years. The present office opened in 1942 with deposits of $4,000,000 and four employees, and now has over $80,000,000 in deposits and employs more than thirty-five people full time.

Another milestone was passed last quarter when assets exceeded $90,000,000. This is an increase of more than ten million in one year. Deposits have increased over $8,900,00 to $80,000,000. Over three million of this was in the past three months.

Mortgage holdings are approximately $60,000,000.00, which represents over seven million dollars increase in the past year.

At the present time, the demands for mortgages exceed the supply of funds.

AMERICA'S CUP RACES REVISITED

The first Wednesday evening program at the Mattapoisett Yacht Club will be held tonight (Wednesday, July 14) at 8 P.M. These programs are designed for all yacht club families to add another dimension to their knowledge of sailing. Refreshments will be served during a brief social hour. Tonight's program will be slides and commentary on the 1970 America's Cup Races by Ed Lewis. Other Wednesday evening programs will include talks about boating safety, boat maintenance, sailing across the Atlantic, etc. For further information call Mrs. Peter Duff at 758-4991.

LETTER TO THE EDITOR

On May 20, 1970, Mao Tse-tung made a statement calling on people of the world to rise and fight for the overthrow of the United States. This was followed immediately by the launching in all mainland provinces of an uninterrupted series of anti-United States mass movement and demonstrations. Mao declared his desire to "bury U.S. imperialism and capitalism".

I was glad to see many orgnizations coming out against a change in U.S. policy regarding China. Of course the same pro-leftists a la John Fairbank and Edgar Snow followers feel that the Nixon administration will help make their dreams come true - they have been promoting Red China since before the overthrow of Chiang through the leftist Institute of Pacific Relations which was thoroughly exposed by the late Senator Pat McCarren in hearings of the U.S. Senate.

Let us hope President Nixon won't be trapped by those of the pro-left in the State Department and CIA to promote another great blunder in U.S. foreign relations - as those now being exposed during the Kennedy and Johnson administrations in Vietnam. Don't forget General MacArthur tried to warn us as to how we were being hoodwinked in Korea too- which was another disaster in our foreign policy - doing our fighting under the United Nations leadership.

NOTICE TO MATTAPOISETT PAPER CONSUMERS

Inspired by the success of Marion's community waste paper collection endeavor, the Mattapoisett Republican Town Committee has agreed to sponsor a similar experiment for the townspeople of Mattapoisett.

Starting this month and continuing on a trial basis the last weekend of every month, Mattapoisett residents will have the opportunity to unload all wastepaper at a collection van which will be stationed on the Barstow Street parking lot of the Mattapoisett Congregational Church.

There is an obvious need in Mattapoisett for a regular wastepaper collection of this

BANDSTAND DEDICATED

A most successful town effort was marked with a dedication at Shipyard Park on Tuesday evening. The newly completed bandstand was the bright focal point of hundreds of eyes as a record number of band fans turned out to admire the new bandstand. The sight was worthy of the gathering. The bandstand is beautiful. It is truly as pretty as the picture. Mr. John Doran, whose original concept was used as a guide for the design, must have enjoyed the result. The Lions, who labored on the project through the days of its construction, must have felt a glow of satisfaction. The many people who organized and ran the campaign to raise the funds and all of the people who contributed certainly must share in the satisfaction of a successfully accomplished goal. Mr. George King, member of the Bandstand Committee, was the speaker. He spoke of the people who

have their time and effort in the making of the bandstand. Mr. King said that a scroll will be sealed into the structure and that all of the names of the donors will be inscribed on it. Mr. King said that the bandstand is Mattapoisett's bandstand and the Committee took pride in passing it on to the people of the town to enjoy fine music. Mr. Paul Alves, chairman of the Bandstand Committee, made the presentation to Mr. Donald Linhares, chairman of the Board of Selectmen. Mr. Linhares accepted the gift on behalf of the town. The scroll donors will be sealed in a time capsule which will be opened in 2057 on the occasion of the Mattapoisett Bicentennial.

Mr. John Pandolfi and his musicians performed after the ceremonies. Concerts will be held through the summer on Tuesday evenings.

Mattapoisett Grange

Mattapoisett Grange held a short business meeting Thursday, July 1st, when Fire Chief Paul Bradley presented a new fire extinguisher to the Home and Community Service chairman Ollie Gifford for the main hall. He also installed one in the kitchen which was donated by Albert Alvernaz.

Due to the inclement weather and small attendance the safety program will be held Thursday, July 15th, at Veteran's Park at Ned's Point Lighthouse when Chief Bradley will show movies at 7:30 after the picnic supper.

Members are to bring their own lunch and chairs. Anyone is welcome to enjoy the movies with the Grange members. Members of the Mattapoisett Junior Grange are also invited.

POSTCARD EXHIBIT

A reminder from the Grange to you that you have a date to attend the most interesting card exhibit Sunday, July 25th, at 1 P.M. in the Grange Hall. This collection of thousands of cards is being shown by Mrs. Carrie Sylvia assisted by her husband Dennis. You won't have completed your day if you do not see them. Coffee and punch will be served. You can procure your ticket at the door.

GIANT TURTLE

Five local youngsters dismounted from this huge sea turtle so that photo could be made.

Lobsterman Louis Costa pulled this monster in after it tangled in his pots. Frank Sylvia of Fish on the Wharf weighed the turtle in at 606 lbs. Mr. George Correa is at left in the photo.

Water, water everywhere
With filth that's in solution.
Water, water everywhere
Contaminated by pollution.

If you've a boat on sea or lake
Don't dispose with undue haste.
Respond for conservation's sake
By storing up your waste.

Water, water everywhere,
And boaters should be keen.
Water, water everywhere;
Let's pitch in and keep it clean!

Aquaculture Program

STUDENT VOLUNTEERS NEEDED

There will be an organizational meeting at 7 P.M. Tuesday, July 20th, at the Old Rochester Regional High School for junior and senior high school age students interested in participating in the current Marion, Mattapoisett University of Massachusetts shellfish program. Young people with either a scientific or a vocational interest in aquaculture are encouraged to attend. Volunteers are needed to help and to learn as they help with on-going action projects with oysters, clams and quahogs. The program will be directed by Dr. John Zahradnik, principal scientist at the University of Massachusetts Aquacultural Engineering Laboratory. The effort includes the cooperation of Old Rochester Regional High School.

Rochester Woman's Club

SUCCESSFUL SMORGASBORD SUPPER

The Rochester Woman's Club held a successful smorgasbord supper on June 24th. At the conclusion of the supper Mrs. Richard Santos, club president, presented two Raymond C. Hartley scholarships to two Rochester students. Miss Stephanie Lawrence, daughter of Mr. and Mrs. Elmer Lawrence of Hartley Road, received one of the scholarships. She is a June graduate of Old Rochester Regional High School, and will attend Bridgewater State College in September.

Stephen Plaud, son of Mr. and Mrs. Lawrence Plaud of New Bedford Road, was the second recepient

second recipient of the Hartley Scholarship. He also is a June graduate of Old Rochester

Mrs. Santos congratulated these young people on the completion of their high school careers and their decisions to further their education.

The next regular meeting of the club will be an all-day out-door family picnic at the summer cottage of Mrs. Margaret Benner in Westport. All members and their families are invited to attend on July 17th. Members are requested to bring their lunches, and beverages and desserts will be provided by the hostess.

'Our Town' Friday

ORRHS SUMMER THEATRE GROUP PRODUCTION

The Old Rochester Regional High School Summer Theatre Group & Workshop will present "Our Town" by Thornton Wilder as its first production in its new Summer Stock program. The students at ORRHS are trying a new "thing" this year with a program of workshops combined with rehearsals for a play and/or a musical to be presented later on in the summer. The presentation of "Our Town" will be this Friday evening at 8 P.M. at the high school. Tickets will be available at the door.

It is hoped that this embryo program may develop more serious interest in drama and the theatre and a greater participation by high school and college people to create a regular Summer Stock type series at the school. If this year's program is successful, it may be continued next year, and furnish a repertory for programs throughout the year in the area. The program is under the direction of Mrs. Nancylee S. Gaucher and is

years has been held in the evening a few days prior to the fair, led to its expansion into an all-day event this year. There will be hundreds of seats in the big building but early arrival is advised to make sure of one. Theodore W. Lacey and Merrill Worthen of the auction committee will head a group of runners and change makers during the sale. Refreshments will be available, with a committee headed by Mrs. Samuel Sabbagh.

The stockpile of donated articles has been growing in recent weeks and includes such items as valuable Sandwich glass, pitchers, vases, silverware, a foot-pedal organ, television sets, power mowers and power saws, choice pieces of furniture, small appliances, bicycles and other wanted articles.

The fair committee chairmen are holding a final meeting tonight to perfect plans for the two-day undertaking. The Fair has become a tradition of area-wide interest, attracting patrons from near and far.

Capeway League

Hector Heath's pinch single drove in the tying and the winning runs as Fish on the Wharf edged to within a half game of league-leading Capeway Cafe Sunday by beating the Cafemen 10-9. The Fishermen rallied for five runs in the bottom of the 6th inning to overcome a 9-5 deficit and post the very valuable win. Meanwhile Mike Brito boomed a tremendous homerun over the right field fence with a mate aboard in the top of the 7th inning and two out and the two runs turned out to be the margin of difference as Linhares stopped the stumbling Mattapoi-

sett Merchants 14-12. Earlier in the week the Rochester Men's Club continued to surge, scoring a 9-8 victory over Linhares while Capeway pounded the Merchants 23-12 with several late rallies. The luckless Merchants had led 9-6 going into the 4th inning but loose play contributed to their downfall.

The standings: Capeway Cafe, won 8, lost 4, Pct. .667; Fish on the Wharf, won 7, lost 4, .636, 1/2 game behind; Linhares Construction, won 6, lost 6, .500, 2 games behind; Rochester, won 5, lost 5, .500, 2 games behind; Mattapoisett Merchants, won 2, lost 9, .182, 5 1/2 games behind.

This week's schedule: Wednesday, Capeway vs. Linhares, Center School, 6:15 P.M.; Fish on the Wharf vs. Rochester, Rochester, 6:15 P.M.; Sunday, Rochester vs. Merchants, Center School, 4:30 P.M.; Fish on the Wharf vs. Capeway, Center School, 6:15 P.M.

JULY SAILING AT MYC

So far, July has been activity-filled at MYC with varying types of contests scheduled.

INDEPENDENCE DAY RACES

To start things off, 17 boats vied for top honors in three classes in the Independence Day Races held July 3rd. The winners were John Ruel, Tom Clark and Ralph Eustis.

As the eight-boat Handicap division sailed a 10.3 mile triangular course, with winds shifting from NE to E to SW, John Ruel in Tiara got off to a good start. Dick Prouty skippering Heron followed closely on the first leg, but began to lag as they rounded the first marker, eventually giving Tiara a lead of 45:38 (corrected time).

Tom Clark in Instead bested the four other Corinthian solo contestants. Art Blackburn in Lorelei was second with Billy Mee in Irish Eyes third, only seven seconds astern.

In the Old Man's Race (Beetle Solo) Ralph Eustis in Duke crossed the finish line two minutes ahead of Peter Briggs in Eeyore. William Mee's Irish Eyes was third.

A second important sailing date at MYC was July 7th which marked the start of both the Junior Program and the Wednesday Evening Series.

JUNIOR WEDNESDAY RACES (AM)

Meredith Barnes and Pat Muldoon shared the spotlight as the Juniors opened their 1971 racing season July 7th, with two races for Beetle Cats. Eight boats were entered.

In the first contest, Meredith Barnes in Gay Lee Ann II won by seven seconds over Jim Broadwater's Agamemnon. Pat Muldoon's Slainte placed third.

In the second race, it was Pat Muldoon

first, Meredith Barnes second and Jim Broadwater third.

WEDNESDAY EVENING SERIES

July 7th also marked the third event scheduled at MYC for July - the Wednesday Evening Series, with competition in two classes. Art Blackburn took top honors for the Corinthians and Harvey Pentleton for the Beetle Cats.

As the four-boat fleet of Corinthians answered the starting gun at 6:30, Art Blackburn in Lorelei was first over the line; then came Norm Shachoy sailing Blue Chip. It looked like a close contest until Blue Chip withdrew midway of the course. Lorelei now opened up the distance, winning by a margin of 15:25 over Bill MacLean's Escape. Jennifer Mee in Irish Eyes came in third.

As the Beetle Cat race got underway Jimmy Barnes skippering Gay Lee Ann II was leading at the start, but on the first leg Harvey Pentleton's Swamp Fox pulled ahead to maintain the advantage to the finish. An exciting three-way battle for second place developed early on the first leg as Susan

McGowan in Hep Cat began to gain on Gay Lee Ann II and Phil McCarthy's Wolf was slowly but surely coming from behind. The third leg saw quite a different alignment. Susan and Jimmy, splitting tacks, ended by swapping positions. Then Wolf edged into third place just 20 seconds behind second place Hep Cat.

SATURDAY SENIOR RACES

On July 10th, under hazy skies, 11 boats raced in two classes at MYC in the opener of the Saturday Senior Races (July Series).

Norman Shachoy and Susan McGowan were double victors for Corinthians and Beetle Cats.

In the two Corinthian contests the slate read the same: 1st, Norman Shachoy in Blue Chip; 2nd, Art Blackburn in Lorelei; 3rd, Harvey Pentleton in Lulu. But the races themselves were quite dissimilar.

In the first one Norm Shachoy, capturing the start, kept out of reach of Lorelei to win by five boat lengths. The next time around Art Blackburn was out front only to be overtaken by Norm Shachoy at the end of the first leg.

In the initial contest of the Beetle Cat double header Hep Cat, skippered by Susan McGowan, went all the way. It was nip and tuck though between Jimmy Barnes in Gay Lee Ann II and Joan Darrah in Duke for second place. In the end Joan was disqualified, thus placing Jimmy Barnes in the second spot and Jennifer Mee's Gremlin in third.

The second Beetle Cat race turned out to be one of many tense situations, as the main contenders dueled every mile of the

way.

On the first leg, a long beat, the lead changed several times, with the line-up at the first marker: Jimmy Barnes in Gay Lee Ann II, Susan McGowan in Hep Cat, and Joan Darrah in Duke. By the time the fleet reached the fourth leg, Jimmy's lead had been cut to one boat length. Then it happened - a gaff outhawl broke and Gay Lee Ann II had to call time out for a hasty repair. The final tally then became Susan McGowan, 1st; Jimmy Barnes, 2nd; and Joan Darrah, 3rd.

Things You Should Know About Your Eyes

It's a fact—two out of every three adult Americans have inefficient vision . . . which may handicap them in their jobs and daily activities! This may also expose them to dangers on the job or at home that might otherwise have been avoided!

* * *

Did you know that 80% of learning depends on vision? Or that four out of ten grade-school children are visually handicapped? Vision is important! Your eyes are obviously well worth protecting.
